

RANDOM IS RANDOM IS RANDOM IS REPETITION

YOU:

You is the ear.

Hey.

Spain.

Restore.

Go.

Kopfnicken.

I don't want.

Lächeln.

Mother.

What makes you?

Kopfnicken.

Happy?

Sad?

Lächeln.

ME:

Me is the eye.

In black clothes

A strong shy voice

swallow down the words

ON

OFF

ON

OFF

in memory

I play

my music library

it's not Tracy

it's not Sally

it's not Kate

At high tide

Against low ride

The source unknown

A tiny bit

of her

off her

with repetition we

move

move forward

Die Spur bedeutet ihre Ursache, ohne sie zu zeigen.
