

4 pigs 1 dog and 1000 coins

The gold it floats
down your arms
down your face
down ourselves
The gold is a dancer
An acrobatic leader
A porkfight in the air
Your body is the stage
The gold a mutation friend
Shaking
Shaking
Shaking
Pottery dog
I stroke your fur
At full gallop
Reverse the warrior
Another pose
Manhood power in hard cash
Upside down against the wall
I AM NOT GONNA FALL
For you
For money
For power
I'll loose my blouse printed with flower
Laughing crowd
Relieve night's tension
Shaking
Shaking
Shaking
Coins out of the heart
The tights ripped apart
Further excitement to come
The animals left behind
Empty bellies
Hilarious hills
Smiling faces
while leaving the trail
